

TS EAS

# TS EAS

- Updated roster, two new members
- Working in teams as well as a full group -> a lot going on
- Follow the team notes on GitHub:  
<https://github.com/SAA-SDT/TS-EAS-subteam-notes>

# What's going on?

- Setting up procedures
- Creation of a handbook
- Sample of identified tasks:
  - Investigate shared components between the standards
  - Investigate outreach strategies, who to reach (archivists and beyond)
  - Investigate data models and their relation to our standards

# EAD<sub>3</sub>

- EAD<sub>3</sub> 1.1.0 update of schemas including documentation is published
- Please answer the EAD<sub>3</sub> Implementation Survey before September 15th:  
<http://www.loc.gov/ead/ead3newimplementation.html>

# EAC-CPF

- Phase 1 Revision under way: Call for Comments release on September 3rd!
- Change Highlights:
  - Changes of cardinality to align schema and TL
  - Editorial changes in the TL
  - Fix that bug!: accuarcy is now accuracy (note the irony)

# EAC for Functions

- Is for describing Functions, Processes and Activities
- Investigation is undergoing
- More examples needed for the decision process
- Way forward is not decided:
  - New schema
  - Incorporating the description within our current standards

# EAG

- The description of archival institution (according to ISDIAH)
- Survey conducted
- Currently maintained by Archives Portal Europé Foundation
- Next step: Communication with EAG standard team in APE-F to facilitate knowledge exchange
