

TS-EAS - EAC-CPF team

Date: Thursday, 03 February 2022, 7am Boston/1pm Berlin/11pm Melbourne

Minutes

1. EAC-CPF revision submissions
 - o EAC-CPF Submission Documentation (draft)
 - no news from Standard Committee so far but expected in week 6
 - move document attachments (presentations, texts, spreadsheets) from Google Drive to GitHub, convert to PDF
 - forward the document to EAC-CPF subteam in week 6 and to Outreach and Documentation team for proof reading afterwards
2. EAC-CPF schema deliverables
 - minor updates to schematron file needed and might be available in week 7
3. Best Practice Guide & Tag Library
 - Missing examples
 - [<cpfDescription>](#) (this has a very general example, it might benefit from a more detailed example) --> use [<identity>](#) example and include into [<cpfDescription>](#)
 - [<generalContext>](#) --> Silke checks external sources to find general context information on Hannah Ahrendt; Iris is going to prepare an example for the Museum
 - [<localControl>](#) --> general statement that there is no example that we know of, maybe ask people to send their examples or use cases to TS-EAS
 - [@base](#) --> follow Kerstins proposal
 - [@maintenanceEventReference](#) (GitHub [173](#))--> follow Kerstins proposal
 - [@linkRole](#) (GitHub [248](#)) --> follow Kerstins proposal and Silke checks for one more use case
 - [@sourceReference](#) (GitHub [172](#))--> follow Kerstins proposal
 - feedback from Outreach team proofreading received and will be included in the Tag Library during February
 - TL files will be merged into a sufficient GitHub Branch
2. Any other business
 - Kerstin: APE Working Group on Standards finalized a major revision of EAG:
https://github.com/ArchivesPortalEuropeFoundation/EAG2012/tree/MajorRevision_EAG3.0
 - waiting for SAA approval for EAC-CPF 2.0 before Call for Comments
 - Karin checks and see the appropriate time to publish the new version
 - big announcement is planned for TS-EAS - EAS Section joint meeting during the SAA annual meeting
3. Next meeting

- planned: Thursday, 3 March 2022
